288 Prot. Nr.

Date: 20/10/2014

To: The Directorate General for Research and Innovation, European Commission.

The Agency of Research, Technology and Innovation informed the researchers of "The Institute of Public Health (IHP)" in Albania, with the initiative of the European Commission and the recommendations given in *The European Charter for Researchers and Code of Conduct for the Recruitment of the Researchers*.

Finally we had a positive feedback from the IHP. Attached please find the signed European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers by the Director of this institute, Dr. Arjan Bregu.

Meanwhile we are waiting for other positive feedbacks regarding the European Charter for Researchers and Code of Conduct for the Recruitment of the researchers.

Nr 1163 Prot

Tirana, on 16/10 2014

Subject: Declaration of Commitment for the Joined Agreement with “The European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers” by the Institute of Public Health in the Republic of Albania.

The Institute of Public Health (IPH) in Albania is in agreement with the initiative of the European Commission on “European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers,” and it supports the researchers of IPH to participate in this code of conduct in its entirety.

This commitment is undersigned from the Director of the Institute of Public Health of Albania, Dr. Arjan Bregu, who is also the “Legal Entity” person of our institute, by declaring our formal commitment and support to “The European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.”

Our commitment to this document shows that IPH accepts the general values, norms, precepts, articles, principles and requirements included and described on this document of European Commission’s initiative; by contributing our researchers to the wider mobility of European Region Area in the exchange of scientific and wider research areas that we commonly share.

Sincerely,

Dr. Arjan Bregu
Director of Institute of Public Health in Albania
Tirana, Albania.
